El Mirage Road Picerne Drive to Bell Road Roadway Improvement Project

NIGHTTIME TRAFFIC RESTRICTIONS AHEAD! ROAD CLOSURE ADVISORY: El Mirage Road at Bell Road 4/15/14 (Nighttime ONLY)

Surprise, AZ—The Maricopa County Department of Transportation (MCDOT) contractor will temporarily close El Mirage Road to through northbound and southbound traffic and will restrict traffic on Bell Road to one travel lane in each direction in the vicinity of the El Mirage Road intersection on Tuesday, April 15, 2014, between 8:00 p.m and 5:00 a.m. the following morning. However, Bell Road will remain open to traffic and left-turns will be permitted onto northbound El Mirage Road from eastbound Bell Road; and right-turns will be permitted from southbound El Mirage Road onto Bell Road and from westbound Bell Road onto El Mirage Road during these times (see map).

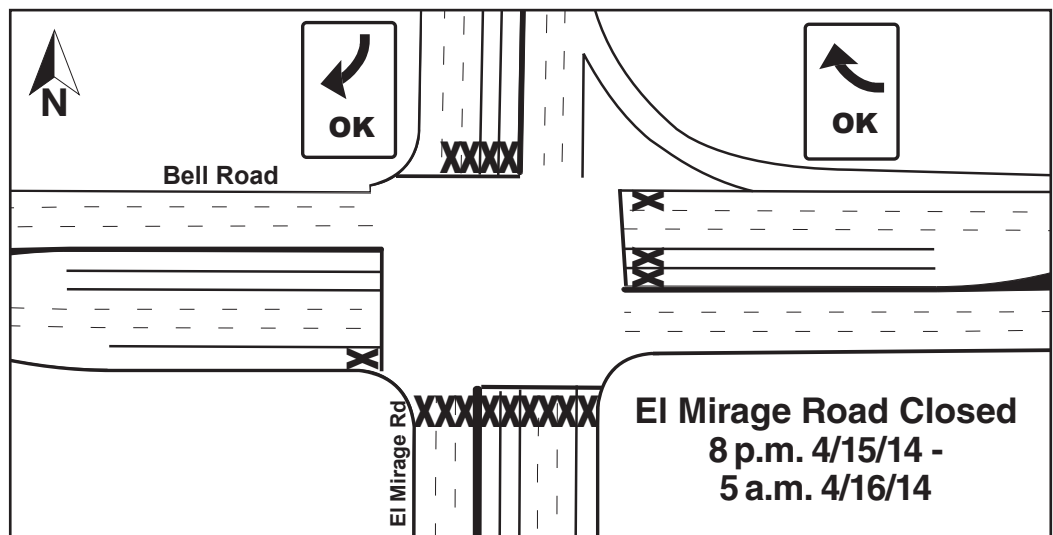

Through northbound/southbound traffic may use Dysart Road or 99th Avenue as an alternate route.

Ongoing Traffic Restrictions

Temporary daytime/nighttime travel lane closures or lane restrictions can be anticipated over the next month on El Mirage Road and Bell Road in the project vicinity. Please be alert to changes in the temporary construction signs, local detour routes and flag persons when driving through the construction zone. In addition, give yourself plenty of time to get where you are going as there may be traffic delays. Access will be maintained for residents, businesses and emergency vehicles at all times.

Safety Matters

Drive cautiously, obey flag persons and special construction signs and do not move any barricades. Barricades are placed for your safety and the safety of others.
